Grandma Bee was was singing a tune,

“Bambina, let’s fly around the moon!”

Bambina Bee asked, “Grandma, why do bees sing?”

I know that we buzz when we’re on the wing.”

“**S**inging lets out what we feel in our hearts . . .

Just like acting and dancing and all of the arts.”

Bambina looked puzzled, but Grandma was keen.

“Let’s go to Bee Broadway and you’ll see what I mean.”
